SKOCH AWARD

TRACKCHILD 1.0 - THE NATIONAL TRACKING SYSTEM FOR MISSING & VULNERABLE CHILDREN

NATIONAL INFORMATICS CENTRE, NEW DELHI

The portal Track Child is dedicated to the cause of tracking, missing and vulnerable Children. It holds the national database of children who are reported missing from the jurisdiction of respective police stations of the country, found children who are awaiting reintegration with families or children who are residing in various Child Care Institutions as they are in need of "Care & Protection" or under "observation / rehabilitation" programme as they come in contact/conflict with Law. Under this initiative, it is possible to track the progress and overall development of children who are living at various Child Care Institutions of this country. This project has sound humane dimensions.

CONFERRED THIS HIGHEST INDEPENDENT HONOUR IN INDIA ON
1ST SEPTEMBER 2013 AT NEW DELHI.
