

### **Workshop on track Child 1.0 conducted at Agartala, Tripura**

The Track Child 1.0 application developed by NIC-West Bengal State Unit for tracking the missing and vulnerable children shall be implemented in Tripura. A workshop was organized by NIC – Tripura State Centre and Social Welfare department, Govt. of Tripura on 12<sup>th</sup> March 2013 at Conference hall of DIT, Govt. of Tripura. The workshop was inaugurated by Shri N.C. Sinha, Principal Secretary, Social Welfare and Social Education, he discussed on the social impact of this software in the State of Tripura and appreciated NIC's effort in this direction. A brief discussion was held subsequently among the other distinguished guests present, Shri C.K. Dhar, SIO-Tripura, Shri D. Darlong, Director, Social Welfare and Social Education, Govt. of Tripura, Shri Anish Prasad, SP CID and Director SCRB, Govt. of Tripura, Mrs. Sankari Das, Dy. Secretary, Law, Govt. of Tripura. The speakers expressed the necessity of the application and invited participation from all stake holders to successfully implement this project.

The application was demonstrated to the participants followed by the questionnaire and hands on session. A Programmer from NIC-West Bengal State Centre along with the NIC-Tripura State Centre team trained a total of 32 participant from the Police department, Social Welfare department, Child Care Homes, Child Care Institutes, Child Welfare Board, Law Department and JJBs were trained on the usage of the system and the respective Login ID and Password was handed over to them. The session ended with a vote of thanks by Director Social Welfare to the Guests, participants and NIC West Bengal State Centre & Tripura State Centre for their active support in the training
